Articulating Design Decisions: Communicate with ...

Book description: Talking to people about your designs might seem like a basic skill, but it can be difficult to do efficiently and well. And, in many cases, how you communicate about your work with stakeholders, clients, and other non-designers is more critical than the designs themselves—simply because the most articulate person usually wins.

Articulating Design Decisions [Book] - O'Reilly Media

Articulating Design Decisions: Communicate with Stakeholders, Keep Your Sanity, and Deliver the Best User Experience Tom Greever Every designer has had to justify designs to non-designers, yet most lack the ability to explain themselves in a way that is compelling and fosters agreement.

Articulating Design Decisions: Communicate with ...

Even though this is always a risk, approaching our meetings with this fear actually undermines the purpose of articulating design decisions. If we aren't able to convince stakeholders that our solution is better, either we aren't doing a good job of communicating to them or we don't understand their needs enough to create a design that ...

Articulating Design Decisions :: UXmatters

Recently I attended a JAM London workshop hosted by Tom Greever on articulating design decisions. As a recent newcomer to field of product design, I've been feeling an absence of confidence amongst my peers. It's been well told that a key skill of any designer is the ability to communicate.

Articulating Design Decisions : Communicate with ...

You only have "he said, she said" and a bunch of rehashed conversations. When design decisions are made verbally in a meeting, it can be nearly impossible to remember later why decisions were made." - Tom Greever, Articulating Design Decisions: Communicate with Stakeholders, Keep Your Sanity, and Deliver the Best User Experience

Articulating Design Decisions Quotes by Tom Greever

Articulating Design Decisions Communicate with Stakeholders, Keep Your Sanity, and Deliver the Best User Experience (English, Paperback, Tom Greever)

Articulating Design Decisions Communicate with ...

Putting something into your design for the purpose of giving stakeholders something to say no to is known as "painting a duck." Articulating Design Decisions was used as a required text in the graduate Design Management program at the Shintaro Akatsu School of Design at the University of Bridgeport

Articulating Design Decisions: Communicate with ...

Articulating Design Decisions will equip you to communicate with stakeholders, keep your sanity, and still deliver the best user experience. Not Just for Designers While most attendees are usually designers, I've had many developers, content strategists, product owners, researchers, and business leaders attend this workshop.

Articulating Design Decisions Workshop - Tom Greever

This awareness brings clarity of how abstract intuition translates into concrete decision-making, allowing us to build a common language for communicating our designs to any stakeholder. However, this clarity is not enough to achieve more complex techniques of communication such as persuasion - which require not just understanding but also influence towards others.

Stories communicate the value of design - how storytelling ...

Taking this approach to design creates meetings that are more productive, decisions that are well-tuned to users' needs, and a team that is set up for success. In addition, it will help designers to articulate their design decisions, communicate with stakeholders, keep their sanity, and still deliver the best user experience.
