Bird baths: keeping your budgie clean and healthy Putting a bird bath in your budgies' aviary/ cage will help them keep their feathers in top condition. This is really important for birds that live indoors because the heating systems in our homes can dry out the air. Budgies love to splash around in their bath.

Budgie care guide - Petbarn

Budgie healthcare is all about prevention. They are prone to contracting parasites, like worms or lice, and can have respiratory issues and digestive problems. However, if they are individual pets, then there are fewer chances for them to get worms or lice. Respiratory diseases can be avoided by feeding them right and keeping them in a clean area.
