BustArtist's Blog An update on my artwork progress, and all news "BA". Wednesday, December 24, 2014. grOw/cOmic#6, page 16 complete! I was able to complete page 16 of grOw/cOmic#6 just in time for Christmas Eve dinner. This page turned out to be more complicated than I had thought it would be, with some character overlap and interaction, figure "sculpting", and other details. Overall, it's a ...

Since the day after the release of "Denise", I have continued working on the next project, which will be a full 6-issue, grOw/cOmic series. I say "continued" as work had already been started months ago, when the authors were finalizing the last two grOw/stOries. The most recent work for me on this new cOmic series has been building the set in my 3D program in full detail, flushing out the last ...

The first graphic novel guide to growing a successful raised bed vegetable garden, from planning, prepping, and planting, to troubleshooting, care, and harvesting. "A fun read packed with practical advice, it's the perfect resource for new gardeners, guiding you through every step to plant, grow, and harvest a thriving and productive food garden." Joe Lamp, founder and creator of the Online Gardening Academy Like having your own personal gardening mentor at your side, *The Comic Book Guide to Growing Food* is the story of Mia, an eager young professional who wants to grow her own vegetables but doesn't know where to start, and George, her retired neighbor who loves gardening and walks her through each step of the process. Throughout the book, "cheat sheets" sum up George's key facts and techniques, providing a handy quick reference for anyone starting their first vegetable garden, including how to find the best location, which vegetables are easiest to grow, how to pick out the healthiest plants at the store, when (and when not) to water, how to protect your plants from pests, and what to do with extra produce if you grow too much. If you are a visual learner, beginning gardener, looking for something new, or have struggled to grow vegetables in the past, you'll find this unique illustrated format ideal because many gardening concepts--from proper planting techniques to building raised beds--are easier to grasp when presented visually, step by step. Easy and entertaining, *The Comic Book Guide to Growing Food* makes homegrown vegetables fun and achievable.

When Cooper, a biracial Korean-American boy, feels uncomfortable trying to speak Korean in Mr. Lee's grocery, his bad behavior eventually leads to a change in his attitude.

Elias Chatzoudis is an artist of boundless talent and imagination whose work hits that very sweet spot between cartoony and realistic. His pin-up girl illustrations display cheeky charm and sultry passion in equally abundant portions! This book contains all-new paintings designed to raise eyebrows and room temperatures!

Transform your self-image, discover God's daily blessings, and fulfill your destiny with two simple words in this interactive devotional guide from Lakewood Church pastor Joel Osteen. The direction you'll follow in life begins with these two simple words: I AM. This portable devotional will help you transform your self-image and help you invite the right things into your life with daily readings and insights from *The Power of I Am*. If you have a powerful I AM, you will carry yourself with a quiet confidence. It's time to stop criticizing yourself, and instead discover your inner strengths, your natural talents, and unique abilities that will make you prosper with self-assurance and success, every single day.

The four lascivious Spanish chicks seem to be almost in competition for who'll be the raunchiest of the lot - but it's a friendly, sharing competition that involves some edgy sexual adventure! Gamberdotti's stunning artwork does justice to how juicy, disarmingly cute and willing these girls are - cementing himself as one of the best Spanish erotic artists around.

In this provocative book, sixteen of Minnesota's best writers provide a range of perspectives on what it is like to live as a person of color in one of the whitest states in the nation. They give readers a splendid gift: the gift of touching another human being's inner reality, behind masks and veils and politeness. They bring us generously into experiences that we must understand if we are to come together in real relationships. Minnesota communities struggle with some of the nation's worst racial disparities. As its authors confront and consider the realities that lie beneath the numbers, this book provides an important tool to those who want to be part of closing those gaps. With contributions by: Taiyon J. Coleman, Heid

Tegneserie, der fortolker en af den sadomasochistiske litteraturs klassikere om en kvinde, som udsættes for alle mulige former for sadistisk seksuel vold og til slut lærer at nyde underkastelsen

In Volume 5, the Spinnyverse gets a little meta- from dream controlling villains to the Multiverse-spanning Editor, it's bound to get a little weird! Inspired by our favorite classic comics, this volume of Spinnerette contains the complete Silver Age crossover arc and the second part of the Canadian arc. Crisis on a Bunch of Ohios will be 132 pages and includes a bonus Silver Age Spinnerette story featuring the origin of Silver Age Evil Spinnerette!

With *The Chronicles of Thomas Covenant*, Stephen R. Donaldson changed the face of fantasy fiction forever. In *The Mirror of Her Dreams*, the astonishing first novel in the two-volume Mordant's Need series, Donaldson shows us a world of wondrous beauty and seductive illusion, where mirrors hold the deadliest of magics and nothing is what it seems. . . . The daughter of rich but neglectful parents, Terisa Morgan lives alone in a New York City apartment, a young woman who has grown to doubt her own existence. Surrounded by the flat reassurance of mirrors, she leads an unfulfilled life—until the night a strange man named Geraden comes crashing through one of her mirrors, on a quest to find a champion to save his kingdom of Mordant from a pervasive evil that threatens the land. Terisa is no champion. She wields neither magic nor power. And yet, much to her own surprise, when Geraden begs her to come back with him, she agrees. Now, in a culture where women are little more than the playthings of powerful men, in a castle honeycombed with secret passages and clever traps, in a kingdom threatened from without and within by enemies able to appear and vanish out of thin air, Terisa must become more than the pale reflection of a person. For the way back to Earth is closed to her. And the enemies of Mordant will stop at nothing to see her dead.
