Figure 8 from Capacity Building as an Answer to Piracy in ...

The terms 'capacity building' or 'capacity development' describe a range of activities you might use to expand your organisation or change direction. The concept is commonly used for overseas development in NGOs, but the principles, ideas and practice relate to any non profit organisation. The United Nations has defined capacity as 'the ability of individuals, institutions, and societies to perform functions, solve problems and set and achieve objectives in a sustainable manner'.
