Second edition. Fred Crismon's timeless classic. A photographic history of International Trucks from 1902-2002. Approximately 2500 b/w photos. Considered by many to be the most authoritative work ever done on International Trucks.

An eminent child psychiatrist provides an insider's, whistle-blowing perspective on the promotion of a diagnostic entity that does not exist. \* Arresting case histories \* A reference section

We take you through your home, office and garden and show you how to do just about everything in a more eco-friendly way. From upcycling projects you can do with your kids, to making your own make-up and everything in between, this book is a comprehensive guide for those who want to live a leaner, greener and healthier life. Make awesome stuff, save the planet, have fun & save money!

In How to Super Tune and Modify Holley Carburetors, best selling author Vizard explains the science, the function, and most importantly, the tuning expertise required to get your Holley carburetor to perform its best for your performance application.

A definitive account of the popular Ducati Desmodue - the reliable, affordable, high-performance motorcycle range that boasts one of the most successful Italian motorcycles of all time, the Ducati Monster, and is still in development today. Including full production histories, comprehensive specification details and owners' experiences, this new book covers the history of Ducati and the rise of the brand in the 1970s and Grand Prix racing with Fabio Taglioni's desmodromic valve engine design. The world-beating TT2 and TT1 racers are covered along with the best-selling Ducati Monster, the Desmodue 900SS and the SportClassic range. With the Scrambler, and new Ducati factories in Thailand and Brazil, the Desmodue story is brought right up to date - a story based a wonderful corner of Italy, some very special motorcycles and the astonishing people who made it all happen. Fully illustrated with 211 colour photographs.

Teacher Lesson Planner: Undated Weekly Academic Plan Book For School Teachers This amazing Teacher Lesson Planner journal, notebook is perfect for school teachers. Includes a page for all of your personal information, school holidays, calendar months of the year at a glance, parent contacts, parent contact log, student birthdays, classroom expenses (large or small), class projects tracker, class field trip events planner, monthly notes and month by month schedule. For each week there is a weekly attendance chart, weekly reading tracker, weekly overview, weekly lesson plan, followed by a daily planner page for each day of the week separated by hour time slots. Plenty of space for notes for any important information you wish to record, whether it's for your goals, seating arrangements, inspirational quotes, or classroom management or planning tips. Designed for teachers in mind. Use it to get organized and stay organized and keep on schedule with this teaching planner, organizer. Makes a great gift for teacher appreciation or for the new teacher. They will love it. It's super easy to use and perfectly sized. Spreads nicely. Perfect for education and the academic school year from August to June or July. Planners are a necessity to keep your lessons to view all in one place. Size is 8x10 inches, soft matte finish cover, white paper, 150 pages.
