The essay's topic does not exist in a vacuum, however; part of letting readers know what your essay is about means establishing the essay's context, the frame within which you will approach your topic. For instance, in an essay about the First Amendment guarantee of freedom of speech, the context may be a particular legal theory about the speech right; it may be historical information ...

Essays help us learn about who you are rather than solely what you have done. Other parts of the application give insight into your academic and professional accomplishments; the essays reveal the person behind those achievements. Essay Questions. We request that you write two personal essays. In each essay, we want to hear your genuine voice.

(back cover) FOUR STEPS TO SUCCESS-- Assess your reading audience and determine what they're looking for Avoid topics and ideas they've seen too many times Gather your material and identify your theme Write your first draft, and then revise and edit it until it's perfect Read the more than 40 model essays in this book and get ideas and direction for the winning essay that you too can write. Each was written by a successful law school applicant. Many essays come with critical comments that point out their strengths and weaknesses. You'll also find practical advice from students who have been accepted by major law schools--what they did right, how many rewrites they needed, where they looked for outside help, and much more. Open this book and get started on your rewarding journey to a career in law. The authors of this book work for IvyEssays, an Internet-based company that offers editing and consulting services to prospective college and graduate school students.

This updated volume offers vital help to college students who are applying to medical school and are required to write a medical school admissions essay. Extensive advice covers the many do's and don'ts of writing a successful essay. The authors instruct on organizing ideas, writing a rough draft, then editing and polishing the draft to produce a finished essay for presentation. This new edition offers special focus on subjects relating to questions frequently found on the MCAT (Medical College Admission Test), including information on the new 2015 MCAT. The book concludes with approximately 38 model essays, each followed by a critique. All essays were submitted by applicants who were accepted to their chosen medical schools.

Following a clear and helpful general format, this updated volume is designed to help college students who are medical school applicants, and required to write a medical school admissions essay. Students will find extensive advice on the dos and donts for writing a successful essay plus instruction on the process of organizing ideas, writing a rough draft, then re-writing a final finished essay for presentation. Detailed advice is followed by 75 model essays, many of them new in this edition, all of them submitted by medical school students whose applications were accepted.

This book, updated with many new sample essays, is focused to help college students who are seeking admission to graduate schools of business administration. Extensive essay-writing advice covers the do's and don'ts in writing a successful essay plus and instructs in the process of organizing ideas, writing a rough draft, then re-writing a final finished essay for presentation. It is followed with approximately 75 sample essays, all of them written by business school applicants accepted for enrollment in leading schools.

Forty sample essays submitted by successful applicants are provided as examples of how to write an effective admissions essay

Updated with much new material, this book presents approximately 50 model college admission essays that will inspire students who must prepare original essays of their own as part of today's college entrance process. Students will also find extensive advice on the do's and don'ts for writing a successful essay plus instruction on the process of organizing ideas, writing a rough draft, then re-writing a final finished essay for presentation. The book's model essays come from successful Ivy League college applicants, and each is supplemented with critical comments pointing out its strengths and weaknesses. Essays cover many categories, including sports, work experiences, ethnicity, cross-cultural experiences, and much more.
