The Human Journey begins every chapter with a set of theme statements drawn from several broad themes central to world history: Geography, Economics, Government, Citizenship, Culture, Science, Technology & Society, Constitutional Heritage, and Global Relations. Throughout The Human Journey, you are asked to think critically about the events and issues that have shaped world history. - Publisher.

The Human Journey offers a truly concise yet satisfyingly full history of the world from ancient times to the present. The book's scope, as the title implies, is the whole story of humanity, in planetary context. Its themes include not only the great questions of the humanities—nature versus nurture, the history and meaning of human variation, the sources of wealth and causes of revolution—but also the major transformations in human history: agriculture, cities, iron, writing, universal religions, global trade, industrialization, popular government, justice, and equality. In each conceptually rich chapter, leading historian Kevin Reilly concentrates on a single important period and theme, sustaining a focused narrative and analytical perspective. Chapter 2, for example, discusses the significance of bronze-age urbanization and the advent of the Iron Age. Chapter 3 examines the meaning and significance of the age of “classical” civilizations. Chapter 4 explains the spread of universal religions and new technologies in the postclassical age of Eurasian integration. But these examples also reveal a range of approaches to world history. The first chapter is an example of current “Big History,” the second of history as technological transformations, the third of comparative history, the fourth the history of connections that dominates, and thus narrows, so many texts. Free of either a confined, limiting focus or a mandatory laundry list of topics, this book begins with our most important questions and searches all of our past for answers. Well-grounded in the latest scholarship, this is not a fill-in-the-blanks text, but world history in a grand humanistic tradition.

SIR GAWAIN AND THE GREEN KNIGHT, PEARL, AND SIR ORFEO THREE MEDIEVAL ENGLISH POEMS, WITH TRANSLATION AND COMMENTARY BY J.R.R. TOLKIEN It's Christmas at Camelot and King Arthur won't begin to feast until he has witnessed a marvel of chivalry. A mysterious knight, green from head to toe, rides in and brings the court's wait to an end with an implausible challenge to the Round Table: he will allow any of the knights to strike him once, with a battle-axe no less, on the condition that he is allowed to return the blow a year hence. Arthur's brave favorite for the challenge is Sir Gawain... Accompanying Sir Gawain and the Green Knight in this book are Sir Orfeo, a medieval version of the story of Orpheus and Euridice, a love so strong that it overcame death, and Pearl, the moving tale of a man in a graveyard mourning his baby daughter, lost like a pearl that slipped through his fingers. Worn out by grief, he falls asleep and dreams of meeting her in a bejewelled fantasy world. Interpreted in a form designed to appeal to the general reader, J.R.R. Tolkien's vivid translations of these classic poems represent the complete rhyme and alliterative schemes of the originals. This beautifully decorated text includes as a bonus the complete text of Tolkien's acclaimed lecture on Sir Gawain.
