In this award-winning book, Sato explores the rise and fall of Honda, an international brand name that was created by two very different men.

If you enjoy a bit of DIY in the home or you maintain your own car, caravan, RV, motorbike or bicycle you will, sooner or later, come across something so rusty you think it's welded in place. You dangle from the longest

spanner you own, maybe cheating a bit with a length of tube over the end and... SNAP! You have a sheared off shaft in a hole... The aim of this book is to provide you with a way to solve the first problem while minimising the probability of the second. It walks you through a series of complementary techniques to clean and free the problem fastener with the minimum effort, risk and damage. Even if you already have a sheared stump to deal with we have techniques for that too.

Every learner motorcyclist needs a copy of the Highway Code, and here is an appealing version that provides extra information and even more value for money. In addition to the essential Rules of the Road, this value-added offering contains information about basic motorcycle maintenance, motorcycle care and other practical matters such as tax, MoT and insurance. This is a handy, low-cost publication that will be invaluable to all new riders.

Physicians who passed the neurology boards reveal what it takes to excel First Aid for the Neurology Boards is a unique high-yield guide for success on the Neurology Boards, in-training exams, and recertification. Readers will find hundreds of frequently tested facts based on feedback from test takers who just passed the exam, along with mini-cases that are essential for board preparation. Unlike similar reviews, First Aid for the Neurology
