Graphic Memoirs

"Maggie Thrash has spent basically every summer of her fifteen-year-old life at the one-hundred-year-old Camp Bellflower for Girls, set deep in the heart of Appalachia. She's from Atlanta, she's never kissed a guy, she's into Backstreet Boys in a really deep way, and her long summer days are full of a pleasant, peaceful nothing . . . until one confounding moment. A split-second of innocent physical contact pulls Maggie into a gut-twisting love for an older, wiser, and most surprising of all (at least to Maggie), female counselor named Erin. But Camp Bellflower is an impossible place for a girl to fall in love with another girl, and Maggie's savant-like proficiency at the camp's rifle range is the only thing keeping her heart from exploding. When it seems as if Erin maybe feels the same way about Maggie, it's too much for both Maggie and Camp Bellflower to handle, let alone to understand"--

Collected for the first time: three exciting alternate history graphic novel adventures exploring fantasy, magic, and martial arts in The Foreworld Saga! Including: Suffrajitsu: Mrs. Pankhurst's Amazons #1-3: London, 1914: The leaders of the radical women's rights movement are fugitives from the law. Their last line of defense is the secret society of "Amazons": women trained in the martial art of bartitsu and sworn to defend their leaders from arrest and assault. After a series of daring escapes and battles with the police, the stakes rise dramatically when the Amazons are forced into a deadly game of cat and mouse against an aristocratic, utopian cult.... The Dead God #1-3: In the year 536 AD, the land of Frisia is a hostile place of swords and sorcery. Across the dark, cold countryside, three valiant warriors quest for a treasure, the likes of which few can comprehend. These three--the mighty grappler, Eadhild; the skilled archer, Coll; and the charming young Valens--are searching for the head of Yvrnn, the sky-god. For, according to legend, the head of Yvrnn will grant its possessors great wisdom and fortune. The trio's quest won't be easy, as they must not only contend with Yvrnn's followers who have set obstacles in their paths, but also the mystical creatures and bandits that haunt the roads of Frisia. Symposium #1-3: The Shield-Brethren is a secret martial order that has defended the West for centuries. Now, the origins of the order are revealed in this stunning three-issue tale. Our heroes, seeking to realize the idea offered to them by the philosopher Plato, leave Athens and travel to Delphi with hope of visiting the oracle. They have a dream to found a city of their own, and they desire insight from the oracle as to their question. But their skills--both as warriors and as thinking men--will be tested by adversaries they do not even know they have.

From the critically acclaimed author of Honor Girl, comes a “sassy, sultry whodunit” (School Library Journal) set in an Atlanta boarding school that’s infused with subversive humor and featuring a cast of bizarre and unforgettable characters. It’s better to know the truth. At least sometimes. Halfway through Friday night’s football game, beautiful cheerleader Brittany Montague—dressed as the giant Winship Wildcat mascot—hurls herself off a bridge into Atlanta’s surging Chattahoochee River. Just like that, she’s gone. Eight days later, Benny Flax and Virginia Leeds will be the only ones who know why. Their search for the truth reveals a web of depravity hiding in plain sight at their picture perfect school. When love becomes obsession, how far will someone go to make their twisted fantasies a reality? And who has the power to stop them? A twisty, turny mystery loaded with the perfect punch of satire and heart.

Growing up, Liz Prince wasn’t a girly girl, but she wasn’t exactly one of the guys either (as she learned when her little league baseball coach exiled her to the distant outfield). She was somewhere in between. But with the forces of middle school, high school, parents, friendship, and romance pulling her this way and that, the middle wasn't an easy place to be. Tomboy follows award-winning author and artist Liz Prince through her early years and explores—with humor, honesty, and poignancy—what it means to "be a girl." From staunchly refuting "girliness" to the point of misogyny, to discovering through the punk community that your identity is whatever you make of it, Tomboy offers a sometimes hilarious, sometimes heartbreaking account of self-discovery in modern America.

Following her acclaimed Honor Girl, Maggie Thrash revisits a period of teenage depression in a graphic memoir that is at once thoughtful, honest, and marked by hope. A year and a half after the summer that changed her life, Maggie Thrash wishes she could change it all back. She's trapped in a dark depression and flunking eleventh grade, befuddling her patrician mother while going unnoticed by her father, a workaholic federal judge. The only thing Maggie cares about is her cat, Tommi . . . who then disappears somewhere in the walls of her cavernous house. So her search begins -- but Maggie's not even really sure what she's lost, and she has no idea what she'll find. Lost Soul, Be at Peace is the continuation of Maggie's story from her critically acclaimed memoir Honor Girl, one that brings her devastating honesty and humor to the before and after of depression.

A memoir done in the form of a graphic novel by a cult favorite comic artist offers a darkly funny family portrait that details her relationship with her father--a funeral home director, high school English teacher, and closeted homosexual.

Jason Reynolds’s Newbery Honor, Printz Honor, and Coretta Scott King Honor–winning, #1 New York Times bestselling novel Long Way Down is now a gripping, galvanizing graphic novel, with haunting artwork by Danica Novgorodoff. Will’s older brother, Shawn, has been shot. Dead. Will feels a sadness so great, he can’t explain it. But in his neighborhood, there are THE RULES: No. 1: Crying. Don’t. No matter what. No. 2: Snitching Don’t. No matter what. No. 3: Revenge Do. No matter what. But bullets miss. You can get the wrong guy. And there’s always someone else who knows to follow the rules..

A 2015 Newbery Honor Book & New York Times bestseller! Going to school and making new friends can be tough. But going to school and making new friends while wearing a bulky hearing aid strapped to your chest? That requires superpowers! In this funny, poignant graphic novel memoir, author/illustrator Cece Bell chronicles her hearing loss at a young age and her subsequent experiences with the Phonic Ear, a very powerful—and very awkward—hearing aid. The Phonic Ear gives Cece the ability to hear—sometimes things she shouldn’t—but also isolates her from her classmates. She really just wants to fit in and find a true friend, someone who appreciates her as she is. After some trouble, she is finally able to harness the power of the Phonic Ear and become “El Deafo, Listener for All.” And more importantly, declare a place for herself in the world and find the friend she's longed for.

A 2015 Caldecott Honor Book A 2015 Michael L. Printz Honor Book Every summer, Rose goes with her mom and dad to a lake house in Awago Beach. It's their getaway, their refuge. Rosie's friend Windy is always there, too, like the little sister she never had. But this summer is different. Rose's mom and dad won't stop fighting, and when Rose and Windy seek a distraction from the drama, they find themselves with a whole new set of problems. One of the local teens - just a couple of years older than Rose and Windy - is caught up in something bad... Something life threatening. It's a summer of secrets, and sorrow, and growing up, and it's a good thing Rose and Windy have each other. This One Summer is a tremendously exciting new teen graphic novel from two creators with true literary clout. Cousins Mariko and Jillian Tamaki, the team behind Skim, have collaborated on this gorgeous, heartbreaking, and ultimately hopeful story about a girl on the cusp of childhood - a story of renewal and revelation. This title has Common Core connections.
