CCST—Special Bonus!

Certified Control Systems Tech Level I Review (TS00)—ISA
ISA currently offers two certification programs: Certified Automation Professional ® (CAP ®) and Certified Control Systems Technician ® (CCST ®). Certification is a formal recognition of individuals who have demonstrated proficiency within, and comprehension of, a specialized body of knowledge at a particular point in time. Generally, qualification criteria for such programs include specific requirements of education, experience, and examination. Certification is not a license to practice.
