Book Review - Crying Laughing by Lance Rubin
Its Okay To Laugh Crying

" It's Okay to Laugh is...an unapologetic tale of heartbreak and loss that is devoid of platitudes. I found myself laughing through my tears, but that's the real experience of profound morning, and she nails it." (Rebecca Soffer, writer, Modern Loss co-founder)

It's Okay to Laugh: (Crying Is Cool Too) - Purmort, Nora---

It's Okay to Laugh is a love letter to life, in all its messy glory; it reads like a conversation with a close friend, and leaves a trail of glitter in its wake. This book is for people who have been through some shit. This is for people who aren't sure if they're saying or doing the right thing (you're not, but nobody is).

It's Okay to Laugh: (Crying Is Cool Too) by Nora McInerney---

Clearly, Nora McInerney Purmort, the author of IT'S OK TO LAUGH: (CRYING IS COOL TOO) is one smart (and funny) lady as she not only shares the intimate details of her husband's death due to brain cancer, just months after her father passed away, and as if that weren't enough, she has just suffered a miscarriage.

It's Okay to Laugh: (Crying Is Cool Too) - Kindle edition---

It's Okay to Laugh is...an unapologetic tale of heartbreak and loss that is devoid of platitudes. I found myself laughing through my tears, but that's the real experience of profound morning, and she nails it... This story will compel you to both laugh and cry, just as the title promises.

It's Okay to Laugh, Crying is Cool too breaks down some of those walls and exposes the truth that lies underneath, and that is if you haven't been through it and you don't have something nice to say, then shut the hell up. Thanks for inspiring and making me feel alive again this last year of my prison sentence.

It's Okay to Laugh: Crying is Cool Too+ Noah Berglund---

It's Okay to Laugh (Crying Is Cool Too) Joining the ranks of Let's Pretend This Never Happened and Carry On, Warrior, a fierce, hysterically funny memoir that reminds us that comedy equals tragedy plus time. Twentysomething Nora McInerney bounced from boyfriend to boyfriend and job to job.

It's Okay to Laugh by Nora McInerney Purmort

Nora McInerney Purmort, author of IT'S OKAY TO LAUGH (CRYING IS COOL TOO) wants you to know her memoir is "not a cancer story, it's a love story. With some cancer.". After bouncing around dating losers, twenty-seven-year-old Nora McInerney Purmort, finally met the perfect guy, Aaron. He was an art director and comic-book nerd, who made her laugh all the time.

It's Okay to Laugh: (Crying Is Cool Too) - Purmort, Nora---

"Thank you for the perfect blend of nostalgia-drenched humor, wit, and heartbreak, Nora." — Mandy Moore comedy = tragedy + time/rose/ Twenty-seven-year-old Nora McInerney Purmort bounced from boyfriend to dopey 'boyfriend' until she met Aaron—a charismatic art director and comic-book nerd who once made Nora laugh so hard she pulled a muscle. When Aaron was diagnosed with a rare form of brain cancer, they refused to let it limit their love. They got engaged on Aaron's hospital bed and had a baby boy while he was on chemo. In the period that followed, Nora and Aaron packed fifty years of marriage into the three they got, spending their time on what really matters: Buffy the Vampire Slayer, each other, and Beyoncé. A few months later, Aaron died in Nora's arms. The obituary they wrote during Aaron's hospice care revealing his true identity as Spider-Man touched the nation. With It's Okay to Laugh, Nora puts a young, fresh twist on the subjects of mortality and resilience. What does it actually mean to live your "one wild and precious life" to the fullest? How can a joyful marriage contain more sickness than health? How do you keep going when life kicks you in the junk? In this deeply felt and deeply funny memoir, Nora gives her readers a true gift—permission to struggle, permission to laugh, permission to tell the truth and know that everything will be okay. It's Okay to Laugh is a love letter to life, in all its messy glory; it reads like a conversation with a close friend, and leaves a trail of glitter in its wake. This book is for people who have been through some shit. This is for people who aren't sure if they're saying or doing the right thing (you're not, but nobody is). This is for people who had their life turned upside down and just learned to live that way. For people who have laughed at a funeral or cried in a grocery store. This is for everyone who wondered what exactly they're supposed to be doing with their one wild and precious life. I don't actually have the answer, but if you find out, will you text me?

"Thank you for the perfect blend of nostalgia-drenched humour, wit, and heartbreak, Nora! Mandy Moore 'This story will compel you to both laugh and cry, just as the title promises. May we all bring Nora's honesty, passion and hope to our lives' Lena Dunham 'It is funny, and it is sad, and it is real, and if you've ever been through anything in your life. . . you are going to love this book' Jennifer Weiner, New York Times Bestselling author of Who Do You Love comedy = tragedy + time/rose/ Twenty-seven-year-old Nora McInerney Purmort bounced from boyfriend to dopey 'boyfriend' until she met Aaron - a charismatic art director and comic-book nerd who once made Nora laugh so hard she pulled a muscle. When Aaron was diagnosed with a rare form of brain cancer, they refused to let it limit their love. They got engaged on Aaron's hospital bed and had a baby boy while he was on chemo. It's Okay to Laugh is a love letter to life, in all its messy glory; it reads like a conversation with a close friend and leaves a trail of glitter in its wake.

This isn't a cancer story. It's a love story. In 2006, Aaron met Nora. She doesn't remember this. In 2010, Aaron and Nora met again and fell in love, fast and hard. Less than a year later, Aaron, aged thirty-two, had two seizures at work which led to an MRI revealing a brain tumour in his frontal lobe. They immediately decided to get married. After three years of not just being alive but living life to its fullest, Aaron and Nora decided to write Aaron's obituary together. It begins, 'Purmort, Aaron Joseph age 35, died peacefully at home on November 25 after complications from a radioactive spider bite that led to years of crime-fighting and a year-long battle with a nefarious criminal called Cancer, who has plagued our society for too long.' Aaron's obituary soon spread to every corner of the Internet, from DailyMailOnline and Time.com to TheWashingtonPost.com and HuffingtonPost.com. Their story struck a chord. In It's Okay To Laugh (Crying is Cool Too), Nora takes readers on her journey with Aaron. What she discovers is that even the darkest of times reveal the very best in us and the very best in others. Their joys are happier. Their sadness is more poignant. Life is more intense in every way. Aaron taught Nora that there is beauty and humour to be found in even the darkest moments.

A tragicomic story of bad dates, bad news, bad performances, and one girl's determination to find the funny in high school from the author of Denton Little's Deathdate. Winnie Friedman has been waiting for the world to catch on to what she already knows: she's hilarious. It might be a long wait, though. After bombing a stand-up set at her own bat mitzvah, Winnie has kept her jokes to herself. Well, to herself and her dad, a former comedian and her inspiration. Then, on the second day of tenth grade, the funniest guy in school actually laughs at a comment she makes in the lunch line and asks her to join the improv troupe. Maybe he's even . . . flirting? Just when Winnie's ready to say yes to comedy again, her father reveals that he's been diagnosed with ALS. That is . . . not funny. Her dad's still making jokes, though, which feels like a good thing. And Winnie's prepared to be his straight man if that's what he wants. But is it what he needs? Caught up in a spiral of epically bad dates, bad news, and bad performances, Winnie's struggling to see the humor in it all. But finding a way to laugh is exactly what will see her through. **A Junior Library Guild Selection**

Life is never the same from that moment you hear any bad news. The loss of a person, pet, home, relationshipall can be life altering. Finding out how to deal with life in a new way, in a new normal, is the reality of the situation. There is no one right way to grieve. Everyone goes through it differently, and nobody can tell you how to grieve. Nobody can understand what you are going through, and nobody can understand the relationship you had with that person. Life will never be the same. You dont have that person to call when you have a question anymore. They are no longer there to share your funny inside jokes with anymore. Its Ok Not to Cry was written to help others who have gone through a loss. It is not all seriousness and tears. Hopefully it will leave you with a smile.

Help Your Child Heal From Life's Losses A favorite toy breaks . . . A pet dies . . . It's Okay to Cry. Parents divorce and you're forced to move . . . It's Okay to Cry. A best friend is hurt badly . . . A grandparent dies . . . It's Okay to Cry. Look through the eyes of a child again. When something unexpected, disappointing, or traumatic occurs, children feel a very real sense of loss. They may respond with fear or with anger. Most likely they are confused. They have questions they want answered. They need help from their parents or others who care to understand and process their grief. It's Okay to Cry offers practical help for parents. It explains the symptoms of loss and unresolved grief so that parents can recognize them and walk alongside their children on the path to recovery. Well-known and respected author H. Norman Wright speaks to parents with sympathy and reassurance. He recognizes that most parents don't know how to teach their children to process loss, because often they weren't taught themselves. His sage advice will give you and your child the comfort and hope you seek.

The author of It's Okay to Laugh and host of the popular podcast Terrible, Thanks for Asking—interviews that are “a gift to be able to listen [to]” (New York Times)—returns with more hilarious meditations on her messy, wonderful, bittersweet, and unconventional life. Life has a million different ways to kick you right in the chops. We lose love, lose jobs, lose our sense of self. For Nora McInerney, it was losing her husband, her father, and her unborn second child in one catastrophic year. But in the wake of loss, we get to assemble something new from whatever is left behind. Some circles call finding happiness after loss “Chapter 2”—the continuation of something else. Today, Nora is remarried and mothers four children aged 16 months to 16 years. While her new circumstances bring her extraordinary joy, they are also tinged with sadness over the loved ones she’s lost. Life has made Nora a reluctant expert in hard conversations. On her wildly popular podcast, she talks about painful experiences we inevitably face, and exposes the absurdity of the question “how are you?” that people often ask when we’re coping with the aftermath of emotional catastrophe. She knows intimately that when your life falls apart, there’s a mad rush to be okay—to find a silver lining, to get to the happy ending. In this, her second memoir, Nora offers a tragicomic exploration of the tension between finding happiness and holding space for the unhappy experiences that have shaped us. No Happy Endings is a book for people living life after life has fallen apart. It’s a book for people who know that they’re moving forward, not moving on. It’s a book for people who know life isn’t always happy, but it isn’t the end: there will be unimaginable joy and incomprehensible tragedy. As Nora reminds us, there will be no happy endings—but there will be new beginnings.

From the host of the popular podcast, Terrible, Thanks for Asking, comes a wise, humorous roadmap and caring resource for anyone going through the loss of a loved one—or even a difficult life moment. In the span of a few weeks, thirty-something Nora McInerney had a miscarriage, lost her father to cancer, and lost her husband due to a brain tumor. Her life fell apart. What Nora discovered during this dark time is that, when you're in these hard moments, it can feel impossible to feel like even a shadow of the person you once were. People will give you all sorts of advice of how to hold onto your sanity and sense of self. But how exactly? How do you find that person again? Welcome to The Hot Young Widows Club, Nora's response to the toughest questions about life's biggest struggles. The Hot Young Widows Club isn't just for people who have lost a spouse, but an essential tool for anyone who has gone through a major life struggle. Based on her own experiences and those of the listeners dedicated to her podcast, Terrible, Thanks for Asking, Nora offers wise, heartfelt, and often humorous advice to anyone navigating a painful period in their lives. Full of practical guidance, Nora also reminds us that it's still okay to laugh, despite your deep grief. She explores how readers can educate the people around them on what to do, what to say, and how to best to lend their support. Ultimately, this book is a space for people to recognize that they aren't alone, and to learn how to get through life's hardest moments with grace and humor, and even hope.

Today's special: A slice of insight and a scoop of wisdom, with some laughter on the side Daanna Davis is no stranger to tough times. Like the rest of us, she's faced her share of heartache, self-doubt, and professional obstacles among other challenges. In this inspiring new guide, she mixes together all the best ingredients-good humor, a dollop of wisdom, and powerful insights from the worlds of Positive Psychology and neuroscience-to serve up practical strategies for transforming your life, no matter how warmed-over everything around you (and inside you) might seem. With humor, honesty, and a down-to-earth, relatable style, Davis shares stories and insights that address the issues real women face every day-from balancing family needs with personal and professional ones, and stealing a few moments of quiet every now and then, to getting through the rough patches that every relationship sometimes throws us. Celebrating the importance of mindful living, the power of friendships, and the undeniable benefits of a good laugh (and, every now and then, a good cry), this is just the satisfying read we need for these tough times.

Klein has written a poignant and easily readable guide to the grieving process based on his personal and professional experiences. The book is a wonderful companion in one's darkest hours and feels like a warm, nourishing hug from a dear and loving friend. It will soothe one's heart and warm one's soul. It has all the tools one needs to bounce back from loss of any kind.
