Maths Quest 9 Maths Quest 9 for the Australian Curriculum Homework Book is an integral part of supporting the Australian Mathematics Curriculum. The homework book complements the textbook with a variety of activities including homework sheets, rich tasks and fun code puzzles. It provides students, parents and teachers with an opportunity to construct a homework program that will help students to develop their mathematical skills. Fifteen chapters contain five worksheets: two homework sheets, one rich task and two code puzzles. Chapter 1 contains six sets of 30 NAPLAN-style questions. Chapter 9 contains hints to tackle five randomly selected problems and chapter 15 contains hints to tackle six randomly selected problems from the problem-solving chapters in the textbook. The tear-out worksheets have space provided for answers and teacher feedback. The six sets of quick questions in chapter 1 encourage students to practise some basic number skills and improve their quick recall of number facts. The homework sheets: ? begin with Skills practice questions ? contain carefully graded skills and application questions related to specific content in the textbook chapters ? include a Reasoning section for students to explain mathematical concepts in their own words ? finish with a Problem solving question to extend students' problem-solving skills. The rich tasks: ? encourage students to work mathematically ? enhance problem-solving skills with links to real-life situations ? promote different levels of thinking with many open-ended questions. The code puzzles: ? present aspects of the chapter content in an entertaining way ? provide an alternative tool to reinforce skills. Students are also provided with a student learning matrix and a Thinking about my learning page for to help them track their progress and develop as independent and reflective learners. The book also contains a grid where students may record details of their homework tasks, reflect on their performance and communicate any concerns to their teacher. Answers to all worksheets in this homework book are provided in Maths Quest 9 for the Australian Curriculum eGuidePLUS.
