McCulloch has a long history
of developing, high
performance garden tools
that are tough, reliable and
importantly, have the power
to get the job done. Not
only will you get those
boring garden chores done
quickly, you will look good
doing it too, with
McCulloch's stylish, slick
design.

The history of McCulloch spans over 60 years. In 1943, business man Robert McCulloch founded a company called McCulloch Motors Corporation. After a few years the company moved from Wisconsin to California, where McCulloch Motors produced its first chainsaw, a two-man model named 5-49.. In 1949, McCulloch revolutionized the chainsaw industry by introducing a light one-man chain saw called 3-25.
