Lino Brocka (1939–1991) was one of Asia and the Global South's most celebrated filmmakers. A versatile talent, he was at once a bankable director of genre movies, an internationally acclaimed auteur of social films, a pioneer of queer cinema, and an outspoken critic of Ferdinand Marcos's autocratic regime. José B. Capino examines the figuration of politics in the Filipino director's movies, illuminating their historical contexts, allegorical tropes, and social critiques. Combining eye-opening archival research with fresh interpretations

of over fifteen of Brocka's major and minor works, *Martial Law Melodrama* does more than reveal the breadth of his political vision. It also offers a timely lesson about popular cinema's vital role in the struggle for democracy.

The total body of papers presented in this volume captures research across a variety of languages and language groups, to show how particular elements of linguistic description draw on otherwise separate aspects (or fields) of linguistic investigation. As such, this volume captures a diversity of research

interest from the field of cognitive linguistics. These areas include: lexical semantics, cognitive grammar, metaphor, prototypes, pragmatics, narrative and discourse, computational and translation models; and are considered within the contexts of: language change, child language acquisition, language and culture, grammatical features and word order and gesture. Despite possible differences in philosophical approach to the role of language in cognitive tasks, these papers are similar in a fundamental way: they all share a commitment to the view that human

At last, a way to improve your Tagalog!  
Written by Joi Barrios as the continuation of her best-selling Tagalog for Beginners book, Intermediate Tagalog is the first intermediate-level book designed specifically for people who already speak or understand some basic Tagalog and now wish to achieve greater fluency in speaking, reading and writing standard Filipino—the national language of the Philippines. The carefully-

constructed lessons in this book point out common grammatical errors that English speakers make when speaking Tagalog, and present "real-life" conversations demonstrating how the language is spoken in Manila today. Extensive cultural notes are provided, along with exercises and activities that introduce the use of the Tagalog language in a wide range of everyday situations. The 20 lessons give you all the basic skills needed to speak Tagalog fluently: paglalarawan (the ability to describe people, places and feelings); pagsasalaysay (the ability to tell a

story—whether a news story, a folktale, or an anecdote); paglalahad (how to explain something—for example, a custom or tradition, or how to cook a dish); and pangangatuwiran (reasoning and abstract thinking). Each lesson is carefully structured in six key parts: A "real-life" dialogue providing valuable conversational skills. Avocabulary list to expand your familiarity with common, everyday Tagalog words and expressions. A grammar review section (for example, on the correct uses of affixes in various sentence constructions). Insightful cultural notes presenting aspects of the Philippines that

ethnic life. People of varied origins make up the population of nearly two million and yet, until now, little mention of the city has been made in studies and discussion of ethnicity or immigration. *The Peoples of Las Vegas: One City, Many Faces* fills this void by presenting the work of seventeen scholars of history, political science, sociology, anthropology, law, urban studies, cultural studies, literature, social work, and ethnic studies to provide profiles of thirteen of the city's many ethnic groups. The book's introduction and opening chapters explore the historical and demographic context of these

presents a comprehensive overview of the main theoretical concepts and descriptive/theoretical models of cognitive linguistics, and covers its various subfields - theoretical as well as applied. The first twenty chapters give readers the opportunity to acquire a thorough knowledge of the fundamental analytic concepts and descriptive models of Cognitive Linguistics and their background. The book starts with a set of chapters discussing different conceptual phenomena that are recognized as key concepts in Cognitive Linguistics: prototypicality, metaphor, metonymy, embodiment,

perspectivization, mental spaces, etc. A second set of chapters deals with Cognitive Grammar, Construction Grammar, and Word Grammar, which, each in their own way, bring together the basic concepts into a particular theory of grammar and a specific model for the description of grammatical phenomena. Special attention is given to the interrelation between Cognitive and Construction Grammar. A third set of chapters compares Cognitive Linguistics with other forms of linguistic research (functional linguistics, autonomous linguistics, and the history of linguistics), thus giving a

readers a better grip on the position of Cognitive Linguistics within the landscape of linguistics at large. The remaining chapters apply these basic notions to various more specific linguistic domains, illustrating how Cognitive Linguistics deals with the traditional linguistic subdomains (phonology, morphology, lexicon, syntax, text and discourse), and demonstrating how it handles linguistic variation and change. Finally they consider its importance in the domain of Applied Linguistics, and look at interdisciplinary links with research fields such as philosophy and psychology. With a
