First of all, Minecraft is one of the most popular game on PC, but it is nothing like how I'm going to explain you about the book. It is not about all the info on the game, but its about its creator. Markus Persson is the owner of the game, a simple game that soon turn out to be super fun, also the maker is already known as a celebrity because of this.

For this second edition, this unlikely and bittersweet success story has been enriched with more Minecraft than ever: A new section describes Minecraft's sale to Microsoft, Notch's less than heartwarming last day in the office, and Mojang's final days of independence. His whole life, all Markus Persson wanted to do was create his own games.

## ~~Minecraft – Seven Stories Press~~

I would hope that in the second edition that Swedish co-authors Goldberg and Larsson have captured the lead-up and after-effects of the Microsoft deal. The Persson pictured in this book bears little resemblance to the one now known almost equally for buying mansions in LA and throwing epic parties over the world over. One person found this helpful
