The Noticer: Sometimes, all a person needs is a little ...

The Noticer by Andy Andrews is 156 pages of important life lessons wrapped within a feel-good, inspirational novelette. The lessons are thinly-veiled homilies spoken by the main character Jones to a cast of (unfortunately) flat, characters who barely resemble real people with real dialogue.

The Noticer: Sometimes, All a Person Needs Is a Little ...

The Noticer: Sometimes, all a person needs is a little perspective - Kindle edition by Andrews, Andy. Religion & Spirituality Kindle eBooks @ Amazon.com.

The Noticer: Sometimes, all a person needs is a little ...

Recorded directly from Andy ’ s office desk, think of this program as a one-on-one coaching session between just you and him. The Noticer : Sometimes, all a person needs is a little perspective – Andy Andrews

The Noticer : Sometimes, all a person needs is a little ...

Andy Andrews has spent the past five years doing a double take at every white-haired old man he sees, hoping to have just one more conversation with the person to whom he owes his life. Through a chance encounter at a local bookstore, Andy is reunited with the man who changed everything for him – Jones, also known as “ The Noticer. ”

The Noticer Returns: Sometimes You Find Perspective, and ...

Andy Andrews is a master story-teller, a modern blend of Will Rogers, Paul Harvey, and Garrison Keillor. He is one of the few people I have ever met who is both a compelling writer and an incredible speaker. Andy is also a “ noticer. ” He sees things that others miss and extracts from those observations simple but profound wisdom.

Now...his number one client is YOU.

NOTICER *Excellent Condition* | eBay

When a small Alabama community is overwhelmed by such challenges as rising divorce rates, disillusioned young people, and failing businesses, a mysterious older man named Jones arrives and imparts his gift of noticing small details that bring meaning and renewal into difficult situations.

Perspective is a powerful thing. Andy Andrews has spent the past five years doing a double take at every white-haired old man he sees, hoping to have just one more conversation with the person to whom he owes his life. Through a chance encounter at a local bookstore, Andy is reunited with the man who changed everything for him – Jones, also known as “ The Noticer. ” As the story unfolds, Jones uses his unique talent of noticing little things that make a big difference. And these “ little things ” grant the people of Fairhope, Alabama, a life-changing gift - perspective. Along the way, families will be united, financial opportunities will be created, and readers will be left with powerfully simple solutions to the everyday problems we all face. Through the lens of a parenting class at the Grand Hotel in Point Clear, Alabama, Jones guides a seemingly random group to ask specific questions inspired by his curious advice that “ You can ’ t believe everything you think. ” Those questions lead to answers for which people have been searching for centuries: How do we begin to change the culture in which we live? What is the key to creating a life of success and value? What if what we think is the end...is only the beginning? What starts as a story of one person's everyday reality unfolds into the extraordinary principles available to anyone looking to create the life for which they were intended.

From New York Times bestselling author Andy Andrews comes the return of one of our favorite fictional characters: Jones, the noticer. A mysterious elderly man with white hair and endless wisdom who always appears to show up exactly when he ’ s needed most. At 3:29 a.m. on May 22, a telephone rings in Orange Beach, Alabama. Breaking the sleepy silence inside the bedroom of New York Times bestselling author Andy Andrews, a hastily whispered message heralds the news that Andy has been waiting on for seven years: Jones is back in town. Apparently, however, he is also in jail. The old man is tight-lipped about the circumstances surrounding his brief incarceration. After arriving to bail him out, Andy is shocked to discover that his trusted friend has already opened an unusual business in one of the resort town ’ s most high-profile shopping districts. Jones ’ s Five & Dime seems to always have exactly what visitors are looking for, even as their fate steadily becomes entwined with Jones ’ s. As the town moves from spring to summer, a practical joker is becoming bolder and more inventive with every prank that is pulled. Could Jones be behind some of it? Why? And what will happen if he is? What ’ s the truth about that four-hundred-pound table in his Five & Dime? What compels certain people to gather around it every morning? And why does it look as if every person Jones meets has a secret they will reveal only to him? With rare insight, Andy and Jones take us on a journey that proves the importance of perspective, the power of connection, and the ability we all have to make the impossible come true.

A New York Times Bestseller Your chance to regroup, take a breath, and begin your life again awaits in the simple wisdom and heartwarming story of a man named Jones. Orange Beach, Alabama, is a simple town filled with simple people. But like all humans on the planet, the good folks of Orange Beach have their share of problems—marriages teetering on the brink of divorce, young adults giving up on life, business people on the verge of bankruptcy, as well as the many other obstacles that life seems to dish out to the masses. Fortunately, when things look the darkest, a mysterious man named Jones has a miraculous way of showing up. Communicating what he calls “ a little perspective. ” he explains that he has been given a gift of noticing things that others miss. “ Your time on this earth is a gift to be used wisely, ” he says. “ Don ’ t squander your words or your thoughts. Consider even the simplest action you take, for your lives matter beyond measure...and they matter forever. ” The Noticer will provide you with: A better understanding of life ’ s challenges and proper perspective for tackling them. Practical yet powerful methods of motivation, encouragement, and resolve for those who have been dealt “ the bad hand. ” A fresh and insightful perspective on how people can change their view of the world, find strength, and move beyond their problems. The story of Jones continues in The Noticer Returns, available now and Just Jones, releasing September 8th, 2020.

Coming Soon the Continuation of David Ponder ’ s Story in The Traveler ’ s Summit What makes the difference between failure and success? A New York Times, Wall Street Journal, USA Today, and Publisher ’ s Weekly bestseller, The Traveler ’ s Gift offered a modern-day parable of one man ’ s choices. Only a few months ago, David Ponder was a successful executive. Now he ’ s a desperate man. In times of great uncertainty, we need divine wisdom. Many of the greatest minds in history overcame personal struggles and adversity, and they emerged the stronger for it. What guidance would iconic heroes, such as Abraham Lincoln, King Solomon, and Anne Frank, give us today in our ever-changing climate of world events? Join David Ponder in The Traveler ’ s Summit on his incredible journey to discover the Seven Decisions for Success that can turn any life around, no matter how hopeless a situation may seem. The Traveler ’ s Gift became required reading for some of America ’ s high schools and a “ life skills ” tool for members of several college sports teams as well as some MLB and NFL franchises. Discover with David Ponder that attitude makes the difference between success and failure.

. A work of both scholarship and imagination. The Lost Choice is a legend of personal discovery—a reminder of the opportunities we each are given. When a young boy finds a mysterious object in the creek near his home, it starts a series of events that could change the world—again. Many search for the ancient relic's secret, but few find its truer purpose. What choices will each make—or lose?

Have you ever wondered why we spend so much time and energy thinking about the big challenges in our lives when all the evidence proves it ’ s actually the little things that change everything? That ’ s right... Absolutely everything. New York Times bestselling author Andy Andrews is known for his strong storytelling and unequalled perspective on principles that empower the human mind and spirit. The Little Things embodies his own approach to life and work, detailing for the first time some of the exclusive material that he uses to teach and coach some of the most successful corporations, teams, and individuals around the world. In his unique humorous style, Andy shows how people succeed by actually going against the modern adage, “ don ’ t sweat the small stuff ”. By contrast, Andy proves that it is in concentrating on the smaller things that we add value and margin. “ In a world where so many feel powerless, wouldn ’ t it be great to feel in control? Then know this. Perspective can be more important than basic answers. “ I am more passionate than ever about my search to notice that one thing. . . that one tiny thing that, when understood and harnessed, allows us to create a life of extraordinary purpose and powerful results. It ’ s less about drive and will power than it is about understanding certain principles and why they work . . . every time. Andrews provides common-sense perspective and a game plan for meeting various challenges, such as: Managing life in a society that seems to be constantly offended by something or someone Creating change that is permanent and not short term Dramatically increasing results by harnessing the fraction of margin between second place and first Understanding our spiritual connection with God and how that affects planning and outcome Identifying the very moment when asking the question why? multiplies the success of an endeavor Recognizing the smallest details that ensure the greatest success

Become an informed, passionate citizen who demands honesty and integrity from our leaders or suffer the consequences of our own ignorance and apathy. In this updated and expanded New York Times bestselling nonpartisan book, Andy Andrews urges you to believe that seeking and discerning the truth really, really matters and that believing lies is the most dangerous thing you can do. You ’ ll be challenged to become a more “ careful student ” of the past, seeking accurate, factual accounts of events and decisions that illuminate choices you face now. By considering how the Nazi German regime was able to carry out over eleven million institutional killings between 1933 and 1945, Andrews advocates for an informed population that demands honesty and integrity from its leaders and from each other. He includes several key documents written by our Founding Fathers as examples of America ’ s core principles that present and future leadership should live up to and embrace. We can no longer measure a leader ’ s worth by the yardsticks provided by the left or the right. Instead, we must use an unchanging standard: the pure, unvarnished truth.

Dance on the Volcano tells the story of two sisters growing up during the Haitian Revolution in a culture that swings heavily between decadence and poverty, sensuality and depravity. One sister, because of her singing ability, is able to enter into the white colonial society otherwise generally off limits to people of color. Closely examining a society sagging under the white supremacy of the French colonist rulers, Dance on the Volcano is one of only novels to closely depict the seeds and fruition of the Haitian Revolution, tracking an elaborate hierarchy of skin color and class through the experiences of two young women. It is a story about hatred and fear, love and loss, and the complex tensions between colonizer and colonized, masterfully translated by Kaiama L. Glover.

This is how it ’ s done. This is why it ’ s done this way. This is the result you can expect if you do it. These three pieces of information inform a conclusion about every part of each of our lives. Yet it is these three pieces of information that most often set an insidious trap—a trap that has held the imaginations of generations captive to the belief that because they are doing the best they can do, they are accomplishing the best that can be done. And while each of these three statements are true, not one of them is the truth. Dive deeper with bestselling author Andy Andrews as he shares his unique philosophy regarding foundational thinking. Through his unique and captivating storytelling, Andy helps you search for the reality that lies beyond the boundaries established in the name of “ best practices, ” “ industry standards, ” or “ the way things are done. ” For it ’ s at the bottom of the pool that you discover a pathway to extraordinary results that most people in your position do not even know are possible.
