Helps users view all file extensions found on their system, while allowing them to add new file types or edit the existing ones, and create context menu entries. What's new in FileTypesMan 1.95:

If you are looking for a comprehensive, soup-to-nuts resource on SSL/TLS, look no further. This book, geared towards bridging the gap between the absolute beginner and the veteran IT Professional, combines the theoretical and the practical in equal measure. The first half of our book focuses on foundational theory, covering topics such as: Symmetric vs Asymmetric cryptography One-Way functions Digital Signatures Key Generation History and Context The second half encourages fledgling administrators to jump in with both feet, outlining the quirks of common tasks such as: Generating a signing request for a certificate (CSR) Generating a self-signed certificate (and when it is safe to do or not do so) Converting certificates between different formats including java keystores Configuring servers to meet best practices, not in a vacuum, but for the security and compatibility needs of your business vertical. Are you a systems administrator just starting out? A developer looking to not just implement, but to understand? Or perhaps SSL/TLS has been a topic you've avoided over the years because it is very dense and implementation can be fraught with fidgety pitfalls. You can read this book cover to cover, crosswalk to the copiously linked RFCs, or use it as a desk reference. This is SSL/TLS for everyone. This is the Black and White edition.

1955 the author gives corrections for splay foot, back ache, asthma, loss of voice, wry neck, toothache, anemia, writers cramp, tic-doloureux (neuritis, neuralgia) sneezing, sprains, prostate, kidneys, hiccough, hayfever, headache, gall bladder, ear ache.

A QuickBooks Guide for Vacation Rental Managers holds the secret for the easiest method of bookkeeping in the industry. The manual is a specialized book for short term vacation rentals. Whether you are a property manager, CPA, accountant, QuickBooks consultant, or bookkeeper, this is the book for you. You will learn how to pay less per unit as your business grows by applying our method of property management and bookkeeping. A QuickBooks Guide for Vacation Rental Managers is ideal for the business manager who: Wants to automate all financial reporting Wants their business to be IRS audit proof Wants to save hundreds or even thousands in training fees Is tired of the frustration and stress of always being behind Needs to identify money received from and paid to each property owner Needs to track maintenance request Needs to track guest deposits and rental amounts Needs to collect guest deposits, send agreements, and track balances Wants flexibility in managing guests, owners, documents, and accounting Recently released book from Advanced QuickBooks Certified ProAdvisor, Gita Faust of Tri State Philadelphia, Pennsylvania, A QuickBooks Guide for Vacation Rental Managers is available in printed format. This is the only book in the world that teaches an easier accrual and cash basis accounting system for short term rental property management businesses using QuickBooks. During tax time and year round, real estate professionals everywhere have been dreaming about an easier, faster method of doing their company bookkeeping and now, with A QuickBooks Guide for Vacation Rental Managers, they have it. The new vacation property management manual, just like all the other books before it, will teach property managers how to get their books up-to-date and ready for tax preparation in the least amount of time imaginable. They will easily stay current applying the system to their day-to-day operations. Send an email to the author with proof of purchase to access to tutorial videos and receive a QuickBooks file customized with both Chart of Accounts and over 150 reports for vacation rental managers. The QuickBooks files are available for Australian, Canadian, US, or UK versions of QuickBooks. As a QuickBooks property management advisor, author, Gita Faust, takes the guesswork out of entering and maintaining your financials by providing concise, easy-to-follow guidelines. You will achieve the results you want with minimal time and effort-and much less stress By following the step-by-step instructions provided in A QuickBooks Guide for Vacation Rental Managers, you will be able to quickly run reports showing how much guests owe you and how much you owe owners. Why pay hundreds or thousands of dollars for this when you can now learn it and do-it-yourself? The illustrated, step-by-step, hands-on manual reveals the secrets of how accountants organize and record transactions that are months or even years behind. A QuickBooks Guide for Vacation Rental Managers is designed to save you time and money and keep your business books up-to-date. The cash basis method of filing tax returns is the most widely used method in our country and the lessons learned will ensure that your business is IRS audit proof. Gita Faust, of FastTracConsulting.com, has been an Advanced QuickBooks Certified ProAdvisor since 1999 and is the only ProAdvisor to write a series of books about QuickBooks property and real estate management. Her firm is an Intuit Premier Reseller of QuickBooks products and services. Gita has used the very methods described in her manual herself for over 30 years. Don't wait Start getting your business back on

track today.

Midwifery & Women's Health Nurse Practitioner Certification Review Guide, Third Edition is a comprehensive review designed to help midwives and women's health nurse practitioners prepare for certification exams. Based on the American Midwifery Certification Board (AMCB) and the National Certification Corporation (NCC) test blueprints, it contains nearly 1,000 questions and comprehensive rationales representing those found on the exams. Completely updated and revised with the most current evidence and practice standards, the new edition incorporates expanded content on pharmacology, pathophysiology, and diagnostic tools. Important Notice: The digital edition of this book is missing some of the images or content found in the print edition. Please note Navigate Test Prep is not included with the eBook and must be purchased separately.

Commander's Tactical Handbook contains reference material frequently used to organize, plan, and conduct Marine ground combat operations. Its intent is to assist small unit leaders functioning at the company level and below, but it also serves as a field reference guide for all Marine leaders. Leaders of combat support and combat service support organizations should familiarize themselves with the contents of this publication to understand the operational support requirements discussed.

----- A lost starship... A dire warning from futures past... A desperate search for salvation...
----- Captain Mitchell "Ares" Williams is a Space Marine and the hero of the Battle for Liberty, whose Shot Heard 'Round the Universe saved the planet from a nearly unstoppable war machine. He's handsome, charismatic, and the perfect poster boy to help the military drive enlistment. Pulled from the war and thrown into the spotlight, he's as efficient at charming the media and bedding beautiful celebrities as he was at shooting down enemy starfighters. After an assassination attempt leaves Mitchell critically wounded, he begins to suffer from strange hallucinations that carry a chilling and oddly familiar warning: They are coming. Find the Goliath or humankind will be destroyed. Convinced that the visions are a side-effect of his injuries, he tries to ignore them, only to learn that he may not be as crazy as he thinks. The enemy is real and closer than he imagined, and they'll do whatever it takes to prevent him from rediscovering the centuries lost starship. Narrowly escaping capture, out of time and out of air, Mitchell lands at the mercy of the Riggers - a ragtag crew of former commandos who patrol the lawless outer reaches of the galaxy. Guided by a captain with a reputation for cold-blooded murder, they're dangerous, immoral, and possibly insane. They may also be humanity's last hope for survival in a war that has raged beyond eternity.
