Shipbroking and Chartering Practice provides a sound knowledge of the law and economics of international shipbroking and chartering in a practical way that

Get Free Shipbroking And Chartering Practice

enables the principles described to be applied in everyday situations. The seventh edition has been thoroughly revised to take account of chartering practices, cases and standard forms that have

Get Free Shipbroking And Chartering Practice

surfaced since the last edition, providing an excellent commentary.

This series provides a basic knowledge of the law and economics of international shipbroking and chartering

Get Free Shipbroking And Chartering Practice

in a practical way which enables the principles described to be applied in every day situations. This edition has been thoroughly revised and updated to take account of chartering practices, cases, and

Get Free Shipbroking And Chartering Practice

standard forms and provides an up-to-date commentary.

This is the enhanced, augmented and updated 2nd edition 2021. The Shipbroker's working knowledge is a book for

Get Free Shipbroking And Chartering Practice

employees involved in the shipping industry and particularly those dealing or about to deal with the chartering of dry cargo ships. It provides personal knowledge that the author gained during the

Get Free Shipbroking And Chartering Practice

performance of his duties in the various departments of shipping agencies.

Get Free Shipbroking And Chartering Practice

Acclaimed as the standard reference work on the law relating to time charters, this new edition provides a comprehensive treatment of the subject, accessible and useful both to shipping lawyers and to shipowners,

Get Free Shipbroking And Chartering Practice

charterers, P&I Clubs and other insurers. It provides full coverage of both English and U.S. law, now updated with all the important decisions since the previous edition. The English decisions covered in
