The Pirotechnia of Vannoccio Biringuccio (1540 ...

book, Vannoccio Biringuccio, was a master craftsman in the practices of smelting and of metalworking. Contrary to the customs of a trade, Biringuccio was moved to impart his knowledge to all and thus he has given us the earliest hand- book on metallurgy-in fict, the first printed book dealing with the applied

Pirotechnia of Vannoccio Biringuccio, 1943 - Title Page

Pirotechnia by Vannoccio Biringuccio. The following text was written by Vannoccio Biringuccio, an Italian master craftsman in smelting and metalworking, born in Siena in 1480. Its publication date of 1540 predates Cellini's autobiography, by about 20 years. And while Cellini makes no mention of Biringuccio in his own work, the omission is probably due to Cellini's own ego and not necessarily to the merit of the text.

Pirotechnia by Vannoccio Biringuccio - Ganoksin Jewelry ...

Biringuccio's Pirotechnia is the earliest printed work to cover the whole field of metallurgy. Originally printed in Venice in 1540, this was the first book to deal with the applied metal arts and processes of ore reduction and to describe the techniques which had been in development since the bronze age.
