The Value Of Caring The

Out of ALL of the values you have listed, I think caring is potentially the MOST important. It IS the basis for compassion, understanding, love, friendships, and SOOOOO much more. I have a "group" ( you can join on my Facebook page ) that you can join that I call "Conscientious Protectors". Read about it and join if you like.

According to Toño, taking care of the team, for example, produces a positive impact on the retention of talent, which in turn will positively impact the code, the product and the company. Toño observed that, for example, delivery times are very tight and this ends up preventing developers from giving the necessary care and affection to the code.

Valuing Carers 2015 - Carers UK

Be Caring was born from a desire to recognise that at the heart of everything we do is care. Care for our colleagues, care for our customers and also care for our friends, families and communities. Working together to support and encourage our people and customers to reach their goals, however large or small they may be, is what we're about.
