Need help to find new love or a better job, get a cranky boss to lighten up, release stress or simply find a parking space? The Witch's Journal is full of charms, spells, potions, enchantments, lore and simple rituals. Unlike many spell books, the tools and ingredients listed in these pages are common household items (and if not, then an easy-to-find alternative is recommended). Pitched at apprentice spellcasters, the content is presented in a graphic and attractive way making it a book to dip in and dip out of, learning as you go. Based on Wiccan philosophy, this book provides practical, hands-on information for spellcraft that is easy to understand and simple to use. It offers a complete magical introduction, including creating a sacred place, magical ethics, the magical properties of colour, common herbs, stones and flowers. About the author Selene Silverwind has been a practising witchcraft for over 15 years. She has taught workshops on love magic at Pagan conventions and book shops and is the author of two Wiccan romance novels and two non-fiction guides: Magic for Lovers and The Everything Paganism Book. Silverwind is also a co-founder of Pagan Pride Los Angeles, a religious tolerance group affiliated with the Pagan Pride.

This is a "hands-on" journal - pictures to color, extra pages for your own recipes, and lots of lists to add your own personal touches throughout. Lots of witchy tidbits to satisfy the inner witch in you, including candle colors and their meanings, how to read tea leaves, tree magic, animal magic, and lots, lots more. With this book, being a witch has just become so much fun! In fairy-tales of long ago, witches dressed in flowing black gowns, wore pointy hats, and flew around on broomsticks at night. By the light of the silvery moon, they would steal little children from their beds... I'm sure some still do, but know this - not all witches have pointy noses, warts and eat small children. Some are just ordinary people, men, and women, who happen to believe there is magic in this world. The Witches' Journal (book 1) is a fun collection of lots of things magical from a coven of whimsical folk. We hope you enjoy the words and pictures contained within these pages. Blessed are those who carry kindness and love in their hearts, for they shall always have magic in their lives! I believe, so mote it be.

A guided journal for the growing number of witchcraft practitioners Witches can't control the world outside themselves without first mastering their own inner world. It takes steady devotion and courage to practice this ancient craft. The Mindful Witch is a meditative daily guide for witches of all levels to help them summon strength from within, focus their energy, and practice witchcraft in an empowering and effective way. Whether it's a crystal bath to restore their energy, a handmade tea to revive their passion, or a burning candle whose glow offers protection, each page offers tips and inspiration for everyday magick. Reflective witches will enjoy plenty of space to write the day's intentions and desires, craft spells, and track the phases of the moon so they can better harness its power and manifest their future. With The Mindful Witch to guide you, you can add a satisfying dose of self-nourishment and craft to your daily life and conjure your best self.

Celebrate the changing of the seasons and the beauty and power of the Moon, the Stars, and the Sun. Written by a Witch who has spent many years teaching the Craft of Wicca to newcomers, this introductory guide presents everything you need to know for successful witchery, including: • An essential set of instructions and guidelines for beginning the practice of the Ancient arts • An overview of Wiccan beliefs, laws, rules, and principles • Directions for creating and using basic tools of the Craft—athame, wand, cup, pentacle, cauldron, broom, black mirror, and meditation • Easy-to-follow instructions for altar setup, circle-casting, building power, Deity invocation, and more • An assortment of miscellaneous spells, chants, and invocations for a variety of purposes Walk the path of the Witch—live in harmony and balance, and discover the sacred within the natural world with The Craft.

A witches book of shadows is one of the more important tools in their arsenal, holding their spells (both successful and not,) their divinations and of course all of the correspondences that aid them in their everyday craft. Being able to reference your own material is a great way to help you become more confident in your own craft, and to remember all of the ingredients and astrological timings that have worked best for you. What you have in your hands, is a completely blank Book of Shadows, to help any witch organize their craft. This 150+ page journal, comes with pre-formatted spell, ritual, Sabbat and divination pages. In the back of the journal you'll find 15+ pages of indexed correspondences ranging from colors, to moon phases, herbs, tarot and much more. Being completely blank and dateless, this Journal is suited to witches from all walks of life, and either hemisphere, proving to be an asset for all users from novice to expert, Let this journal be your starting point to creating your perfect, personalized book of shadows, and fall in love with your craft.

The modern witch is able to tap into intuitive wisdom and cast practical spells while at the same time being loyal, considerate, a good listener, a lover of nature and open-minded. This unique journal will help you to develop these qualities - and more - on a magical journey. It provides tools and techniques to improve your life, from learning about amulets, candles, crystals, pentacles, chalices and altars, to basic spellcasting and seasonal festivals and rituals. There is space throughout the journal for filling in your own thoughts, experiences, spells and milestones, and you can dip into it at any point along the way. Whether you want to learn to meditate, discover the meaning of different colours, or cast spells to give you courage or make new friends, this journal will inspire you to find out more about witchcraft and put your learning into practice.

A Book of Shadows is a journal where witches record their spells--and this keepsake one, by the authors of Wiccapedia, accompanies that stylish guide. It features basic information distilled from Wiccapedia on spells, key herbs and crystals, moon phases and magick, and more. In the journal portion, witches can note the details of their spellcraft, including the date, ingredients, phase of the moon . . . and results.

Angrboda's story begins where most witch's tales end: with a burning. A punishment from Odin for refusing to give him knowledge of the future, the fire leaves Angrboda injured and powerless, and she flees into a remote forest. There she is found by a man Loki, and her initial distrust grows into a deep and abiding love. Their union produces three unusual children, each with a secret destiny, who she is keen to raise at the hidden from Odin's all-seeing eye. But as Angrboda slowly recovers her prophetic powers, she learns that her blissful life - and possibly all of existence - is in danger.

Put your thoughts, dreams, and spells to paper in this one-of-a-kind guided journal, a must-have for spell-casters of all levels. The Practical Witch's Guided Journal includes prompts for recording spells and ritual work for love, joy, prosperity, work, money, health and healing, and more. Featuring gorgeous illustrations from The Practical Witch's Spell Book, this charming journal is perfect for anyone with a penchant for the magical.
