Solid, well-written and charming romance. Jae just writes good stories. This has a clever take on a traditional plot, interesting tension and development, and is

perfectly crafted as always. This is as 'trad' romance as you can get, and set as an office romance to boot, but she manages to make it new, refreshing, and hold your interest.

'Under a Falling Star' by  
Jae. Author: TheBookgeek.  
December 8, 2014. A good  
lesbian romance is always  
welcome, but a romance with
