La muerte inesperada de la bella Marsa ha desquiciado al pobre marqu é s de Sotoancho. Aunque es verdad que hac í a un a ñ o que no se ve í an, era su mujer y, como dice é l mismo, "he sentido por ella m á s que por ninguna otra". No logra quit á rselade la cabeza mientras hace los tr á mites para que traigan sus restos desde Colombia. Ni siquiera la idea de ver a su amante, Manuela —supuesta princesa austr í aca—, le mejora el humor. Est á claro que el marqu é s necesita un cambio de aires. ¿ Y qu é hay mejor que un safari en Á frica? Ah í no cabe duda de que los aires son, cuando menos, diferentes. Ni corto ni perezoso y con la ayuda de todo el personal de su finca, La Jaralera, Sotoancho se prepara para lo que ser á el viaje de su vida. Despu é s de pisar tierras africanas, conocer a sus gentes de piel color é bano y matar a unos cuantos animalillos, nada en su vida volver á a ser igual.

El Safari, bar ubicado en la Zona Rosa de la Ciudad de Mé xico en la d é cada de los a ñ os '60, se hizo famoso cuando Chavela Vargas hizo ah í una larga temporada, y su presencia convoc ó a la intelectualidad influenciada por Sartre y Simone de Beauvoir, y tambi é n a las lesbianas y los gays, entonces identificados como "la gente de ambiente". En las p á ginas de esta novela encontrar á s un bar de é poca decorado con pinceladas de safari en Á frica, la orquesta en vivo y presencias como Juan Gabriel, Carlos Monsiv á is, Silvia Caos, Palmira, Chechel í n e lliana Urueta; tambi é n a Chavela, a las pelotaris y a los clientes habituales que se volvieron una familia a la que alguien bautiz ó como la canalla; desde luego, el maestro de ceremonias es el Capi, el propietario del primer bar LGB de Am é rica Latina y tal vez de la Uni ó n Americana. "Novela de pasi ó n enrabiada y dulce, escrita con toda la mano... el perfil de la noche, un pu ñ etazo en el rostro de la moralina". Rafael Ram í rez Heredia † "La irrupci ó n de la avalancha gay sin cortapisas... La originalidad, la audacia de esta propuestas radica en su rejuuego coloquial". Daniel Sada † "Un recorrido por los personajes —casi todos reales e intensos— que acud í an a este bar de la Zona Rosa; sus vivencias nos llevan a comprender c ó mo se viv í an las noches de los tiempos de Chavela Vargas, 'las pèsta ñ as Pixie', 'los pepsilindros'". Un cl á sico de la pedagog í a literaria infantil, por primera vez en la lengua de Cervantes. "Los libros ¿ son buenos para los beb é s? Pero si son demasiado peque ñ os y no los comprenden..." Lejos de este supuesto, Marie Bonnaf é afirma que nunca es demasiado pronto para acercar a los ni ñ os a los libros. Y es que los beb é s nacen con necesidades primarias de alimentaci ó n, afecto, sue ñ o y tambi é n relatos. La suya es una posici ó n por completo opuesta al aprendizaje precoz. El encuentro del ni ñ o con los libros ser á tanto m á s valioso y enriquecedor mientras m á s gratuito sea, mientras el principal aliciente sea el placer de hacerlo, en compa ñ í a de un adulto que le d é afecto, o en soledad. Se trata de una obra pionera sobre el acercamiento cultural a la primera infancia y su importancia social. La colecci ó n Ágora, busca abrir un espacio p ú blico para que se ventilen asuntos relacionados con la formaci ó n de lectores y escritores de manera que ni ñ os, j ó venes y adultos puedan no s ó lo leer y escribir, sino comprender y discernir informaci ó n e imaginar mundos posibles.

his new edition of Bradt's Lebanon remains the most comprehensive and detailed English-language guide available. In addition to its more in-depth coverage of essential background information such as history, culture and religion the guide has expanded treatment for the business traveller and prospective property buyer. Subjects such as the environment and responsible travel are given increased emphasis, and there is plenty of additional information for those interested in volunteering opportunities. The guide also caters for all types of travellers and budgets with extensive listings and reviews for accommodation and restaurants. There is also a new section on travelling with children. With a comprehensive language appendix covering both Arabic and French together with an expanded further reading section for this new edition, Bradt's Lebanon is an indispensable practical companion for use within the country and a useful work of reference for armchair travellers too. Although only half the size of Wales, Lebanon offers extraordinary diversity. Here, some of the oldest human settlements in the world at the Phoenician ports of Tyre, Sidon and Byblos sit alongside modern Beirut, popular for its cuisine, eclectic nightlife and mosaic of peoples. In Lebanon's second city, Tripoli, busy medieval souks are watched over by a vast Crusader castle. Outside the city, snow-capped mountains and the lush Qadisha Valley with its snaking river and waterfalls provide entertainment for skiers and hikers, while the Mediterranean Sea draws sun and watersports enthusiasts. Bradt's Lebanon provides detailed cultural and practical information to this increasingly popular destination. It also provides in-depth historical and religious background enabling visitors to travel with awareness and sensitivity.
