A publication that addresses the scarcity of female graphic designers is Women in Graphic Design 1890–2012. The 600-page book from Jovis Publishers was written and edited Gerda Breuer and Julia Meer. It contains numerous interviews with, and articles by, women designers including Ellen Lupton and Paula Scher.

Graphic design: Where are all the women?+Pixartprinting

To celebrate International Women's Day, we've put together a great selection of awesome female graphic designers and illustrators that it's worth keeping an eye on. Our list covers a wide range of disciplines, different approaches, and levels of experience, but everyone here has a knockout portfolio that's well worth checking out.

25 exciting female graphic designers and illustrators to---

Before graphic design was formalised as a profession, related fields such as decorative arts, fashion design and art were still heavily dominated by men. However, at the turn of the 20th century, women were starting to cause ripples socially, and early forms of graphic design played a part in making these ripples expand.

Women in Graphic Design 1890-2012 (English and German)---

The presence of usual suspects – Cipe Pineles, Mariel Cooper, Lorraine Wild, Zuzana Licko – does not mean that Women in Graphic Design 1890-2012 is not valuable or timely for English readers. The editors’ introduction, which has been printed in full in both languages, acknowledges from the outset that many young women in 2013 do not identify with the dogma of feminism’s past.

Women in Graphic Design 1890-2012—Draw-Down

Women in Graphic Design, 1890–2012 is one such big book, weighing in at around three pounds. It is a dual-language survey of 608 pages, with an unfussy typographic cover and over 550 illustrations. Some of the texts and interviews are published in German—the majority with accompanying English abstracts—and this is of course a problem for Anglophone readers.

Women's Work—The Latest in Design+Print Magazine

Women in Graphic Design 1890-2012 – Gerda Breuer. Why are there so few women in the history of design? Why do previously well-known women become forgotten, and at what point can someone be considered successful? Do women create differently to men? What effects of the gender debate are noticeable in today's everyday working life, and are women ...
